EXPERIENCE

Wipro

Project Engineer | React JS Developer

Pune, Maharashtra

Oct 2019 - Present

- Developed responsive user interface using the React JS, Redux and Material UI for SPA development.
- Developed responsive 3 state Check Box input field using React concepts and CSS flex box that is used by all users to capture equipment state on daily basis.
- Used Apollo Client (React) for sending data through GraphQL to backend server.
- Written and performed unit tests using Jest and Enzyme.
- Worked on Azure DevOps for deployment and pipelines.
- Modified some functionalities in Back-End and Cosmos DB as per clients requirement.

PROJECTS

Issue Tracker | React JS, Redux, Formik, React-Router Yup, Jest, Enzyme, Material UI, JSON Server

[View](#)

- Developed an Issue Tracking Management system using React JS and Redux for SPA.
- Used Formik and Yup for form handling.
- Used React-Router for handling unsaved data in forms and for navigating through routes.
- Used React Google Charts for rendering issues chart based on their status and severity.
- Added Local Authentication for users.
- Used JSON Server for creating fake REST API.
- Hosted the website on github pages.

Sorting Algorithm Visualizer | React JS, JavaScript, Bootstrap, Algorithms

[View](#)

- Built a web application that helps to visualize Bubble, Insertion, and Merge sort algorithms using React JS.
- Used Bootstrap to make the website responsive.
- Hosted the website on github pages.

TECHNICAL SKILLS

Languages: C++, SQL, JavaScript, HTML, CSS

Frameworks/Libraries: React JS, Redux, Bootstrap, Material UI, React-Router

Developer Tools: Git, MongoDB, Cosmos DB, MySQL, GraphQL

Testing: Jest, Enzyme

EDUCATION

Shri Vaishnav Institute of Technology and Science

B.E. in Information Technology; CGPA: 7.16

Indore, M.P.

Aug. 2015 – May. 2019

ILVA Higher Secondary School

HSC; Percentage: 88.2

Indore, M.P.

Apr. 2014 – Mar. 2015

ILVA Higher Secondary School

SSC; CGPA: 8.8

Indore, M.P.

Apr. 2012 – Mar. 2013

ACHIEVEMENTS

- 6 star on **HackerRank** problem solving domain
- Achieved 2387th and 3072nd place in **Google KickStart** Round F and D 2020

CERTIFICATES

- **HackerRank** Problem Solving (Intermediate) [View](#)
- **HackerRank** Problem Solving (Basic) [View](#)
